

# ANDREI UNGUREANU

Software Engineer

andrei.ungureanu.work@gmail.com | +373 696 839 89 | Chisinau, Moldova

Portfolio: [andi-portfolio.vercel.app](https://andi-portfolio.vercel.app)

## SUMMARY

Software developer with 5+ years of experience building scalable cloud-native applications using modern frameworks and technologies. Strong full-stack background with expertise in frontend and backend systems; focused on backend and cloud-native delivery. Clean, maintainable code and effective collaboration in agile environments.

## PROFESSIONAL EXPERIENCE

### Software Engineer • IRIS Software

Remote, Romania | Oct 2024 – Present

- Designed and developed scalable cloud-native applications using AWS (Lambda, SNS, SQS), processing millions of events.
- Built and maintained .NET Core backend APIs with 99.9% uptime and sub-100 ms response times.
- Developed responsive frontends with React and Angular; integrated event-driven, asynchronous services.

### Software Developer • Darwin Technologies

Cluj, Romania | May 2022 – Oct 2024

- Developed enterprise-level applications using .NET and Angular for financial services sector.
- Collaborated with cross-functional teams to deliver features on time and within budget; optimized performance (30% load-time reduction).
- Participated in agile ceremonies, sprint planning, and backlog refinement.

### Junior Software Developer • Terranova, Trilance

Verona, Italy | Jul 2019 – Oct 2020

- Built web applications using .NET and Angular for international clients.
- Implemented full-stack features including backend APIs and frontend interfaces; contributed to code reviews.
- Delivered 3+ client projects on time, meeting all requirements and deadlines.

## TECHNICAL SKILLS

**Frontend:** Angular, React, TypeScript, UI/UX | **Backend:** .NET, C#, Golang, REST APIs | **Cloud:** AWS (Lambda, SNS, SQS) | **Databases:** SQL Server, PostgreSQL, Entity Framework | **Tools:** Docker, Git, CI/CD | **Methods:** Agile, TDD, Clean Code

## EDUCATION

### Bachelor of Science in Computer Science

Universitatea Ovidius Din Constanta • Constanta, Romania • July 2023

Full-time studies 2020–2023.
